

**In Search of Part-time Direct Support Professionals for our
Community Participation Supports program [CPS]:**

Community Participation Supports with Community Living Greater Sudbury provides supports to a variety of adults who experience living life with a developmental disability. The position is primarily **COMMUNITY** based. The work is active and the rewards are great.

The CPS Direct Support Professional is responsible for monitoring and supporting individuals to live the life they choose while remaining in compliance with the CLGS Mission Statement which “Fosters meaningful living for all people living with developmental disabilities”.

If you think the following profile relates to you please email jobs@clgs.ca with your resume and cover letter indicating your weekly hours of availability.

Is this you?

You are:

- driven to help others reach their dreams
- connected to your community and believe everyone has a contribution to make
- calm under pressure
- resilient, flexible and patient
- respectful and a great communicator
- physically fit

You enjoy:

- being busy at work
- having variety in your day and week
- working in collaboration with a mixture of people – with a diverse team from a range of backgrounds
- assisting those with occasional behavioral struggles and / or physical limitations and/or provide activities of daily living [personal care]
- having the opportunity to use your creativity and initiative
- being stretched within your job and constantly learning new things about the people you work with and how to best support them
- having a 12 week schedule with a desire to work more hours if available
- both short and long shifts [4 hours – 10 hours], including occasional weekends
- working independently in the community / outdoors
- working in-doors and not access community when needed

You have:

- your own vehicle and are willing to use it to transport people to activities and functions with appropriate insurance coverage [6A endorsement or similar]
- diploma in Developmental Services or a related field
- computer knowledge
- a First Aid and CPR Certificate
- Clear CPIC with vulnerable sector screening

We offer:

- competitive salary
- mileage reimbursement
- activity fees when with a participant
- training opportunities in Crisis Prevention
- support from current CPS Direct Support Professionals, CLGS Case Workers and the CPS Supervisor

Experience and relevant qualifications are desired but we also encourage other applicants who feel they meet the requirements to apply provided you are willing to engage in ongoing learning once you commence employment.
